

## Warranty Certificate

**This certificate must be filled in during the first start-up of each machine and sent via e-mail within 30 days to info@sigma4.it.**

**The warranty period starts on the date specified on the present certificate.**

**Warranty requests will be considered only if the present certificate was fully completed and submitted timely.**

|                                   |                                    |
|-----------------------------------|------------------------------------|
| Stamp and signature of the dealer | End user / Customer                |
|                                   | Address of the End user / Customer |
| Brand and model                   | Serial number                      |

| The End user / Customer declares:   | Yes | No |
|---|-----|----|
| 1. That the machine was delivered in the right configuration and with all ordered accessories   |     |    |
| 2. That the User Manual was delivered and explained in its main parts   |     |    |
| 3. That he received from the dealer representative all the instructions for the use of the machine in full safety   |     |    |
| 4. That he received from the dealer representative the necessary instructions for the use of the machine to reach the best performances                               |     |    |
| 5. That he is fully satisfied with the first in-field start-up of the machine assisted by Mr. _____<br>(name of the dealer representative that assisted the start-up) |     |    |
